

Kansas Clean Energy Day March 19th Topeka

It's **one** year, **one** new President, and **one** economic crisis later. **Now** is the time to bring **Prosperity to the Plains!**

Please join hundreds of your fellow Kansans to reject business-as-usual and demand what Kansans deserve in 2009: A Clean Vote on Clean Energy.

11:00 am - GATHER AND ORGANIZE

Topeka Ice Parking Lot (7th & Madison) Clean energy postcards, snacks and shuttle to the Capitol provided.

12:00 pm - RALLY AT THE CAPITOL

Please bring friends! If you are coming with a group, let us know via email at kansascleanenergy@gmail.com. The more diverse our crowd, the better!

1:00 pm - MEET YOUR LEGISLATOR

Tell us how many are coming, from where at kansascleanenergy.com and we'll make appointments. This is a great opportunity to discuss your hopes and concerns and to leave your postcard.

1:30 pm - CELEBRATE - MEMORIAL HALL

Shuttles available to return you to Topeka Ice parking lot

**YOU are the voice for CLEAN ENERGY...
help us raise the volume!**

This single show of solidarity – many groups supporting clean energy for their many reasons – is critical.

Our representatives need to know that strong renewable and efficiency legislation is our priority, and deserves consideration on its own merits.
